

Holly Lee – Elementary Vice-President!

I am excited to be running for the Davis Education Association Elementary Vice-President. I served on the board 18 years ago and then took time off to raise my family. Two years ago, I came back on the Executive Board representing the Northern End of the district. I am at a point now where I am able to put in the time necessary to be an effective Vice-President, representing elementary teachers districtwide.

Association Experience:

- * I have been a member of DEA/UEA/NEA for 25 years.
- * I served both Clinton and Lakeside Elementary Schools as an Association Representative. I was an AR for a total of 10 years.
- * I served 3 full terms as a member of the Executive Board as well as an additional year completing a vacancy spot. My most recent term has been the last two years.
- * I have attended and participated in multiple Utah House of Delegates.
- * I have attended and participated in 5 NEA conventions.
- * I have attended and participated in 2 NEA Western Leadership Conferences.
- * I was selected and trained as a UEA future leader.
- * I have served on the district's calendaring committee and the negotiations team as a DEA representative.
- * I have served on the PAC committee and went door to door to defeat vouchers, as well as, going door to door to support candidates.

I have been part of the negotiating process and have voted for policy on the district, state, and national levels. I am friendly and am able to meet people throughout the district/state/nation and let them know that their voice is important and heard. I am very good at seeing multiple sides of a situation and can work to help others reach consensus. I have the experience and time I believe is necessary to help our association move forward. I know how important it is to have a voice when it comes to deciding the future of education. I would appreciate your vote as I continue to represent the teachers in Davis District.
